

We are looking for enthusiastic and committed individuals to join the school's Governing Body to support us in our work which involves ensuring:

- that the vision, ethos and strategic direction of the school are clearly defined
- that the headteacher performs their responsibilities for the educational performance of the school
- there is sound, proper & effective use of the school's financial resources

It's an opportunity to get involved and make a difference to our school and the lives of children and young people in our community.

We meet monthly on **Tuesday evenings** from **4.30-6.30pm**. You will also need to come into school at least once a term for a monitoring visit.

Watch this short [video](#) to understand what governors do and the key role they play in helping schools to succeed.

If you or anyone you know is interested, please contact the school on:
