Transition Days

To ensure a smooth and confident start to the new school year, we will be holding our Transition afternoon tomorrow. In this session, children will have the opportunity to spend time in their new classrooms, get to know their new teachers and connect with their classmates.

We would also like to take this opportunity to thank you for your continued partnership and support. A strong relationship between home and school is vital and we look forward to working closely with you again next year.

If you have any questions regarding the new classes, please do not hesitate to contact the school office.

Yours sincerely
