

Welcome to Year 4!

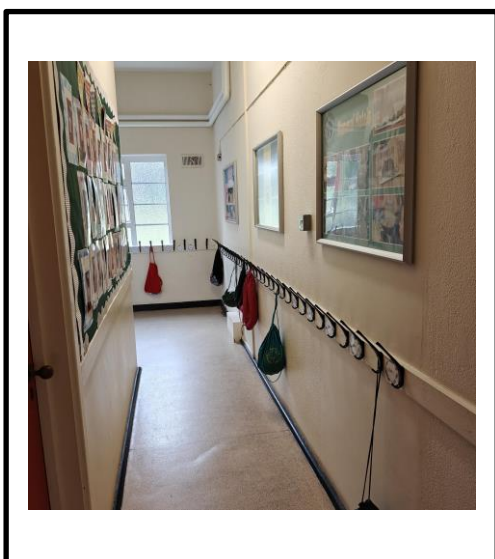

Soon I will be in Year 4.

Mrs Walledge and Miss Pinnell
will be my new teachers.

This will be my classroom.

I can put my coat and bag here. I
will have my own peg labelled with
my name.

I will do my learning at a table with friends.

This is where I will go to the toilet if I need it.

I will eat lunch with my friends in the hall or in my classroom if I have a packed lunch.

This is our playground, I will play with my friends here. I can bring a snack from home to eat at play time.

In Year 4, we will do lots of exciting learning. We will learn about Romans and Vikings in history. In geography, we will learn about Italy and compare it to Cosham. In science, we will learn about animals and their habitats, electricity and states of matter.

There will be lots of other learning such as PE, computing and French.

Sometimes I might be feeling a bit worried about Year 4, this is normal. I can read this social story to help me.

I am so excited to start Year 4 in September.
